

## **2020 Annual General Meeting**

To all members:

Due to the current climate and the restrictions we are all under (and those likely to be added in the near future) as a committee we have decided that it will be impossible to hold the AGM this year that was scheduled for November 5<sup>th</sup>.

Normally at the AGM you would hear reports from the officers of the club and have the opportunity to vote for the officers for 2020/2021.

The Officers will produce reports and these will be made available to you on the notice boards at the club, on the members' website and by email.

As far as the nominations for office are concerned the following has been proposed:

The captains and vice captain (there is currently no lady vice captain) will continue in office for another year as there have been limited opportunities for them to raise money for their chosen charity this year or carry out their other duties.

If anyone feels that this proposal is inappropriate I would ask that they email me by Monday 19<sup>th</sup> October at the latest stating their objection.

The other offices that come up for re-election each year are the handicap and competition secretaries and the treasurer. John Clarke, Ed Blain and Colin Beak are willing to stand again for these posts but if anyone else would like to put themselves forward for these posts they must email me with their name and the names of a proposer and seconder by 4:00pm on Thursday 22<sup>nd</sup> October.

Regards

Graham Roberts

Club Secretary
